ADMINISTRATION AND GOVERNMENT
(City manager appointments)
Jan., 135; Feb., 151; Mar., 192; Apr., 171; May, 172; June, 194; July, 156; Aug., 170; Sept., 159; Oct., 162; Nov., 141; Dec., 148.
(Washington dateline)
Feb., 7; Mar., 9; Apr., 9; May, 13; June, 13; July, 13; Aug., 10; Sept., 10; Oct., 10; Nov., 8; Dec., 12.
Fiftieth city manager's convention....Jan., 126
Council-manager plan tops 2,000 mark....Mar., 42
Obsolete equipment goes....Apr., 107
A city historian....May, 40d
City repairs properties, charges owners....May, 92
Invitations to a council meeting....May, 95
Council votes electronically....May, 150
Reapportionment goes to town....May, 163
"International internship" program....June, 128
Grant stimulates city engineering....June, 187
Lie detectors and city employees don't mix....July, 34
Trailers are mobile libraries....July, 106
Air rights need legal clarification....Aug., 22
More services for less money by annexation....Aug., 33
Ten applicants for every job....Aug., 97
Her honor, the mayor....Aug., 110
First voting machine a hit....Aug., 122
Vice-president meets city managers....Sept., 34
Punched-card votes meet success....Sept., 110
Saturday vote sets record....Sept., 112
Personnel roster for overseas....Sept., 134
Great Britain's first city manager....Oct., 35
Need for professional people....Oct., 57
Human-rights committee in action....Oct., 116
Pension plans don't deter mobility....Nov., 32
Licensing laws don't protect....Nov., 43
A regional dog-control program....Nov., 104

AIR POLLUTION
(Air pollution control notes)
Jan., 32; Feb., 34; Mar., 42; Apr., 28; May, 42; June, 44; July, 32; Aug., 22; Sept., 32; Oct., 44; Nov., 34; Dec., 52.
More states control radiation sources Feb., 34
Auto exhaust devices move up a year..Feb., 38
Grants for air-pollution control....Feb., 106
Removing sulfur dioxide....Feb., 146
Autos breed smog....Mar., 188
New devices trap exhaust gases....Apr., 136
California tightens auto standards....July, 140
Group to advise on air problems....Aug., 34
Lead levels pose no hazard....Oct., 44

AIRPORTS AND AVIATION
Operating a small-city airport....June, 129
Private-plane airport....July, 92
A mile of runway to everywhere....July, 148
An old airport up-jets....Sept., 114
Sea of foam cushions landing....Oct., 106

AWARDS, ACHIEVEMENTS, HONORS
Ten cities, one county win merit certificates....Jan., 73
City structures win design awards....Jan., 92
AMERICAN CITY article in time capsule....Feb., 123
Four projects vie for award....Mar., 177
Howells receives PHS award....Apr., 148
NCPI awards for pollution control....May, 28
Bridge-tunnel wins award....May, 111
All-America cities for 1964....May, 144
AMERICAN CITY awards bring recognition....June, 170
Florida award winners....Aug., 13
Mumford, Wurster receive awards....Aug., 37
Busby wins AMERICAN CITY aid-to-education award....Oct., 12
The top ten for 1965....Nov., 30
City Managers name Foster honorary member....Nov., 32
Article leads to honors....Dec., 91

Issue & Page

BOND MARKET
Jan., 139; Feb., 160; Mar., 205; Apr., 180; May, 181; June, 205; July, 165; Aug., 183; Sept., 173; Oct., 172; Nov., 150; Dec., 156.
Municipal industrial bonds....Mar., 200

BUILDINGS
Keep city hall spick and span....Jan., 90
A Spanish modern city....Feb., 84
A working city hall....Mar., 206
City hall should be a show place....May, 106
Fresh-air heater stops negative pressure problems....July, 94
An eye-appealing council chamber....Aug., 94
Designed for people who use it....Aug., 108
No longer decrepit and dull....Oct., 124
Erector-set buildings....Dec., 156a

BUSINESS MACHINES AND SYSTEMS
Precise equipment costs....Jan., 94
County recording in three steps....Jan., 100
Solving land-use determinations....Feb., 90
Computer puts budget in order....Mar., 116
Small community gets data processing....Apr., 103
First computer center billing....May, 102
Microfilm your records and save....June, 152
Computer plans your traffic program..July, 102
Computer produces planning reference....July, 110
Data-processing proceedings....July, 156
Overhead projector aids sales....Aug., 155
Self-service photocopies....Sept., 108
A records protection system....Sept., 109
Population 2,191 — yet, we use electronic data processing....Oct., 35
Putting a city's memory on film....Oct., 96
Cycle-basis billing....Oct., 104
Computerize purchases and save....Nov., 86
Microfilm "measles" a menace....Nov., 103
You must use brains....Dec., 95

EDITORIAL
Edgar J. Buttenheim....Jan., 4
Who *likes* council-manager government?....Mar., 7
The president's urban package....Apr., 7
Water pollution — who's holding up progress?....May, 8
Spotlight on water supply....June, 8
What's your tourist potential?....July, 8
The APWA story....Aug., 8
Water crisis makes the big time....Sept., 8
The water-pollution challenge....Oct., 8
The problems are *not* all solved....Nov., 6
Presidential findings on air, water pollution....Dec., 8

EDUCATION AND TRAINING
Course on solid wastes....Jan., 107
From muscles to management....June, 173
Theory and practice join hands....Oct., 50

FINANCE AND TAXATION
How cities get and spend their money..Jan., 86
Federal restrictions on city income tax....Mar., 200
Cities second to school districts....June, 28
City employment, payrolls rise....July, 128
Counties become chief assessing districts....Oct., 115

LEGAL NOTES AND DECISIONS
Jan., 134; Feb., 148; Mar., 190; Apr., 168; May, 170; June, 192; July, 154; Aug., 168; Sept., 156; Oct., 160; Nov., 138; Dec., 146.

LIGHTING
Ski or golf at night....Jan., 114
New lighting guide and Philadelphia Jan., 114
Mercuries boost light levels....Jan., 117
Lighting brings customers back....Jan., 118
Soft lights, higher mounting, smoother traffic flow....Jan., 118
Outdoor lighting in review — Part I..Feb., 73
Tenfold more light with fluorescents....Feb., 111
Private lighting goes public....Feb., 113
New life for city course....Feb., 113

Issue & Page

Double-duty lights for freeway link....Feb., 115
Iodides add color to mercuries....Feb., 115
Outdoor lighting in review — Part II..Mar., 109
Two Dovers relight....Mar., 135
Lighting, workshop....Mar., 136
Some rules for golf-course lighting....Mar., 136
One-man maintenance truck....Mar., 139
Outdoor lighting in review — Part III....Apr., 114
Bridge lighting adds festive air....Apr., 131
Locate lighting circuit faults....Apr., 131
Try a decorative light pole....Apr., 133
Street-lighting power costs too high?..Apr., 133
Private lighting program....Apr., 134
Outdoor lighting in review — Part IV....May, 112
Fight crime with light....May, 123
Special city-hall lighting....May, 125
One pole lights two streets....May, 127
What you can't see can kill....May, 127
Wanted: Information....May, 172
Modern lighting brings the shopper back downtown....June, 130
Modern lighting fights blight....June, 140
Twinkle, twinkle, light so bright....June, 142
Kisses for street lighting....June, 145
Dusk-to-dawn lighting grows....June, 145
Brightest downtown in the world....July, 108
Everything but light pole underground....July, 114
Chinatown lighting goes Oriental....July, 116
Updating the lighting report....July, 116
Night-time driving little understood....July, 118
Another city has 100%-code-level lighting....Aug., 131
Danforth's "toadstools"....Aug., 132
Thomas Edison's first electric system..Aug., 135
Lighting reduces driving tension....Aug., 135
Mercury vapors move in....Aug., 136
Vicksburg's relighting program....Sept., 127
King-sized lighting....Sept., 128
Renegotiated contract, better service..Sept., 128
Lighting "black hole" on runways....Sept., 130
Fiberglas repairs cut pole replacement....Oct., 120
One lighting project leads to another..Oct., 127
Famous Fifth takes on new glow....Oct., 128
Guide for parking-lot lighting....Oct., 128
When the lights come on again....Oct., 130
Parade of lighting progress....Oct., 130
Plastic globes ward off vandals, injuries....Oct., 132
Project Mercury....Nov., 114
Down go accidents, robberies....Nov., 116
100% mercury....Nov., 118
Lighting a loading dock....Nov., 118
Golf-course lighting maintenance....Nov., 120
Brighter and more attractive....Dec., 119
Mercuries for underpasses....Dec., 120
